Date: August 23, 2018

Time: 6:00 p.m.

Location of Meeting: Council Chambers

Councilwoman Brenner-Miller makes a motion to excuse Councilman Brian Spitznagel from the meeting. Seconded by Councilman Linville. Four ayes approve.

Mayor Kolograf summarizes what we are doing here this evening. Tonight, council is doing interviews along with the Mayor and our law solicitor and Katie. There is about 10 minutes slotted for each person. No participation from the audience and no debates.

Mr. Mason lays out what is happening in the Village. Mayor Kolograf resigned August 1. The Codified Ordinance for the Village states that we have 45 days to make appointment. The Ohio Revised Code says 30 days. When those two things are in conflict, the Ohio Revised code controls. We have 30 days from August 1 for council to make the appointment. If council makes the appointment by August 31, then obviously that person becomes the council member. If they do not or cannot come to a conclusion on who that is, then the decision will fall to the Mayor thereafter to make the decision.

Be professional even in those types of situations to try and make everyone feel decent about themselves before walking out of a room. More opportunities for people to get together to raise their opinions and brainstorm.

Mayor Kolograf says that he and the council would like to make a decision within the 30 days, so that puts us at August 31. If the council comes up with a decision, we would like to maybe have a council meeting that day. We would like to have all of council here. All is in agreement with August 31 at 12:30 p.m. for a special COW meeting to take a vote. The goal is to have a decision by that date. Mr. Mason said that discussing personnel can be done in Executive Session, but the vote has to be out in the open. We can do an Executive Session during this COW meeting on August 31.

Councilwoman Allen and Councilwoman Brenner-Miller make a suggestion that maybe all of these candidates could get together and form a "resident's group" or a "Village Advisory Board" and come together to the council with their ideas.
