Dear Residents,

We would like to thank everyone who attended our fourth town hall meeting on August 26th, where we discussed up-to-date Village information and participated in a general dialogue with our elected officials. We talked over several different topics and clarified many issues that had been previously misunderstood. We estimate that well over 100 people were in attendance. However, it was unfortunate that we were unable to have our State Representative Marlene Anielski's presence, despite numerous attempts to accommodate her schedule. Please take into account that we have had approximately three public meetings every month for the last 43 months since our State Representative has held office, and she has yet to be in attendance. Please ask yourself the following question: where is the Walton Hills share of the Hard Rock Casino money? Ask our State Rep. Only you, the tax payer, can change this problem and give our Village new representation.

The first and second Tuesday of each month (excluding July and August) is a working session of Council; we refer to these meetings as C.O.W. or Committee of the Whole. These meetings are open to the public and they start at 6:00 p.m. These meetings provide residents with the opportunity to discuss issues that concern them and to learn of the issues that the Mayor and Council are addressing. The third Tuesday of every month (excluding July and August) is the regular Council meeting where Council votes on

legislation that has previously been discussed at the C.O.W. meetings. I encourage you to attend our C.O.W. meetings and our regular Council meetings to stay informed on what is taking place in your Village.

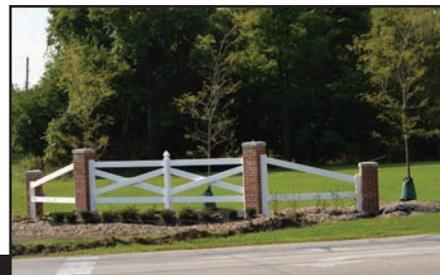

I would also like to mention our website, www.waltonhillsohio.gov, where you can find information such as our ordinances, each monthly journal, council meeting minutes; various Building Department and finance documents and much more. You can also contact me or your Council members directly with any of your concerns. We are all here to answer your questions and concerns; we are not hiding or avoiding any of our residents. Please understand we have had over four town hall meetings in the past four years and we have never avoided or skirted any questions that have been asked. Our goal is to serve everyone with transparency, openness and accountability.

I hope everyone enjoys the beautiful fall months ahead and all of the many exciting activities that we have planned for our community. Thank you very much for the opportunity to serve and God bless each and every one of you!

Sincerely serving you,

Kevin Hurst

Mayor/Safety and Economic Director,

Reflections on Patriot Day

Abby Frejofsky, Walton Hills Veterans' Liaison + 440.232.1313 + AbbyF@waltonhillsohio.gov

I hope you found a special way to observe Patriot Day on September 11th last month. Patriot Day in the United States is a day designated in memory of the 2,977 lives lost in the terrorist attacks on September 11, 2001. It is known in full as "Patriot Day and National Day of Service and Remembrance." President George W. Bush signed the resolution into law on December 18, 2001.

Patriot Day is not recognized as a federal holiday.

- Total number of firefighter and paramedics lost: 343
- Number of NYPD officers lost: 23
- Number of Port Authority police officers lost: 37
- Number of U.S. troops lost in Operation Enduring Freedom: 2,108
- Number of nations whose citizens were lost in attacks: 115
- Days after 9/11 that the U.S. began bombing Afghanistan: 26
- Number of funerals attended by then New York Mayor Rudy Giuliani in 2001: 200
- Estimated number of New Yorkers suffering from post-traumatic-stress disorder as a result of 9/11: 422,000.

Remembering and honoring veterans and families from every war.

The Badge

Councilwoman Gloria Terlosky, Information Committee Chairwoman

I guess you could say I am a mystery movie buff. I love a good "who done it." Details are important to me. I like to observe people, places and things. Something that has always bothered me in mysteries and police dramas is the fact that when the F.B.I. agent or a Police Officer comes to someone's house, they state their name and rank and show their badge to the individual; everything is hunkey-dory. They are invited into the house, they start asking questions and we give them the answers. Because they are dressed like authority, act with authority and they show us a badge, we are trusting souls and we believe them because they are dressed for the part.

How does an individual really know if these officers or agents are really righteous authority figures? I have never seen an F.B.I. badge, have you? What is supposed to be engraved on the badge? What should we be looking for? Your guess is as good as mine. I remember from my past, there was a popular T.V. police show *Dragnet* with Sgt. Joe Friday – his badge number was 714 and he only wanted to know "Just the Facts."

Every day we read about some new scam the criminals have

come up with to gain entry into our homes by duping the trusting public. How can you or I be sure the authority figure at our door is really who they claim to be? I grabbed my Sherlock Holmes cap and out I went to find some answers.

First of all, you do not have to let anyone into your home – Period. Second, your next step would be to telephone your local Police Department, (on the non-emergency number) to find out if an officer was sent to your home. The dispatcher will know the name and badge number of their officers. If an individual is stating he or she is an F.B.I. agent, the same applies; contact your local Police Department for verification. The F.B.I. is supposed to notify the local authority 30 minutes prior to them coming into your community.

Police Officers have very difficult and dangerous jobs, but they will be the first ones to tell you, they want to keep you safe in your home as well as on the streets. **They will have no problem with you checking with your local authority to verify they are who they say they are and the reason they are at your door.**

CHECK FIRST, BE SAFE NOT SORRY!

Street Commissioner's Report

Dan Stucky, Street Commissioner

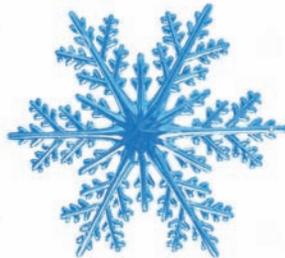

Now that fall is upon us, we anxiously anticipate the beautiful autumn colors that are so plentiful in our picturesque village. However, the colorful leaves stay on the trees much too short a time – then they fall to the ground and we routinely get out our leaf blowers and rakes. Now that brush chipping has ended for the year, the Service Department will soon be busy picking up your leaves. Please place your leaves on your tree lawn beginning on or about Monday, October 13th through November. Soon enough we will stop pickup up leaves and begin plowing snow on the Village streets – but hopefully this winter will not be as brutal as the last one!

2014-2015 Senior Snowplowing

At the time of publication, a snowplowing provider had not been selected and therefore a price had not been determined. Hopefully we will know who our new provider is and the cost to our residents by Monday, October 6th. If a qualifying senior is interested in this service, a one-time payment in full will be required by October 24th to cover the entire snowplowing season.

Snowplowing will take place when the snowfall equals or exceeds three inches on the majority of driveways. A reasonable effort will be made to clean turnarounds and side entry garage aprons. However, equipment limitations may not allow for total snow clearing of these areas. Snow will be cleared within two feet of garage door openings.

Please keep in mind that this service is provided as a safety measure for access of emergency vehicles and may not be adequate for your needs. You may want to consider hiring your own contractor to plow your driveway to your exact specifications.

RULES FOR QUALIFICATION FOR THE SENIOR OR HANDICAPPED RESIDENT SNOWPLOWING PROGRAM

To be eligible for participation in the Senior or Handicapped Resident Snowplowing Program, you must meet the following qualifications:

Senior:

- 1) Resident of the Village of Walton Hills.
- 2) Age 65 and older.
- 3) Have **earned** income less than \$10,000.00 (will be verified by the Walton Hills Tax Department).
- 4) Have no other person residing with the resident who is capable of providing snow removal service.

Handicapped:

- 1) Resident of the Village of Walton Hills.
- 2) Handicapped and not able to remove snow because of handicap.
- 3) Have **earned** income less than \$10,000.00 (will be verified by the Walton Hills Tax Department).
- 4) Have no other person residing with the resident who is capable of providing snow removal service.
- 5) Must provide a doctor's certificate relative to the handicap.

Snowplowing applications can be obtained at the Village Hall. If you need an application mailed to you, please call 440.232.7800. Applications are also available on our Village website.

Seniors – Sign Up For Your Flu Shot!

The Village of Walton Hills, in cooperation with Walgreens, will be offering a senior flu shot clinic on Wednesday, October 15th from 9:30 a.m. until 12:00 p.m. This program is primarily for residents who are 65 years of age or older. Some younger residents with diagnosed chronic illnesses will also be served. There will be a cost of \$25.99 for the flu shot. Pneumonia shots will also be offered at a cost of \$90.00. However, there is no cost to residents whose primary insurance is Medicare Part B or D or if their insurance provider covers the cost of the shot. This is usually the case, as 90% of insurance plans are accepted unless a required deductible has not been met.

Appointments are necessary! Call Jane or Lisa at the Village Hall at 440-232-7800 from 8:30am until 4:30pm, Monday through Friday. All Medicare and insurance cards must be brought to the flu clinic.

What a Gem We Have in our Recreation and Community Life Department

Mary E. Brenner, Recreation and Community Life Committee Chairperson

A few months have passed since we enjoyed another wonderful Community Day celebration, but it is never too late to say a big THANK YOU to our Recreation Director Carol Stanoszek and her assistant Karleen Dean for all they did to make the day such a big success. They work very hard for all of our residents, both young and old, providing an assortment of activities and services year round. A recap of some of the 2014 highlights, along with regular activities, is listed below.

Annual Activities

Community Day, VIP Dinner, Halloween Party, Hayride, Tree Lighting, Santa Delivery, Princess Party, Family Bingo, Baseball and Parker Registration, Memorial Day Observance, National Day of Prayer, Village Garage Sale, Benevolent Fund Fundraisers, Veterans Day Observance, and much, much more!

Seniors

- Monthly senior lunches with good food, fun themes and informative speakers;
- Senior trips and activities; transportation

Baseball Program

- Three Walton Hills teams this year. Worked with other communities who were short on players to help form teams (recreation sports being replaced by travel teams).
- 2 + travel teams renting the baseball fields; "Players i" travel baseball teams rented Walton Hills fields as home fields.

Parker Program

- 82 Parkers and Jr. Parkers signed up this year. More kids than last year. Kids attend different schools but enjoy getting together and playing.
- 15 counselors - same number as last year; less than 6 to 1 ratio of kids to counselors. Only 2 nonresident counselors; worked hard this year doing extra cleaning and painting.
- Parker activities: Walton Hills Lake, Roseland Bowling, baseball & volleyball camps, crafts, Mrs. S Day, hikes in the Metroparks, Skyzone, Whirlyball, visit from Giant Eagle Bakery on National Sugar Cookie Day, celebrated other fun national days, played dodgeball, wizards & trees, board games, ping pong, foosball & 4 square. Plenty of safe fun! Rough summer weather but still lots of fun!

Opportunity for Students Interested in Politics and Government

ATTENTION!! Students in the 7th through 12th grades, if you are interested in politics and how our government works and want to experience first hand writing legislation, please contact the Village Hall at 440.232.7800. The Hawthorne Valley Youth Council offers first hand opportunities in learning and influencing legislation. It's a great chance for you to make a difference and gain leadership skills. All residents of the Bedford School District are eligible, even if they attend schools in other school districts. Please don't miss out on this wonderful opportunity!

Fiscal Officer's Report

Vic Nogalo, Fiscal Officer / Don Kolograf, Finance Committee Chairman

Important Tax Information

It has been a pleasure to provide in-house income tax collections since late 2006. For the most part, residents and businesses have made the transition from the Regional Income Tax Administration, "RITA," much easier to administer than initially thought. The recent tax increase from 2.0% to 2.5% on **July 1, 2013** not only made the audit of the 2013 tax year returns a bit more difficult, but it also increased the number of residents paying quarterly estimated taxes to the Village.

Section 890.07 of the Village's codified ordinances which addresses estimated taxes reads as follows:

*Every person shall file a declaration setting forth taxable income, including distributive shares of net profits of unincorporated business entities, estimated to be earned by the taxpayer during the current tax year, together with the estimated tax due thereon, less the tax withheld within the Village and less the tax credit allowed in Section 890.13, unless the entire taxable income is subject to withholding within the Village. If the estimated tax for the current year, less the tax to be withheld and less such tax credit, is less than **fifty dollars (\$50.00)**, no declaration or payment of estimated tax is required.*

The declaration required by this section shall be filed on or before April 15 of each year during the effective period set forth in Section 890.04 or on or before the fifteenth day of the fourth month of the date the taxpayer becomes subject to tax for the first time.

This section basically states that if you expect to owe income taxes of \$50 or more at the end of the current 2014 tax year, a declaration of that amount should have been filled out near the bottom of the 2013 tax return filed earlier this year. More emphasis will be placed on the "Declaration of Estimated Tax for 2015" section of the 2014 tax return next year. One fourth of the estimate amount will be due with the 2014 tax return and the Village will send out quarterly bills for the 2nd, 3rd and 4th quarter.

As an example: Bob works in Cleveland and earns \$50,000 annually. This is his only income. He had \$1,000 of local tax withheld and remitted to the City of Cleveland. He filed his 2014 Walton Hills' tax return on April 1, 2015 and found out that he owes the Village \$250. He also declares on the same tax return that he will earn the same amount for 2015 and expects to owe \$250 for the 2015 tax year. Bob is required to pay an additional \$62.50 (1/4 of \$250) with his 2014 tax return representing the first of four estimated payments for tax year 2015. Bob will also receive three subsequent billings from the Village's Tax Department of \$62.50 due July 31, October 31 and January 31. When Bob files his 2015 tax return in April of 2016, he will not owe the Village any tax for tax year 2015 if he paid all four of his estimates and his estimate of income was correct.

To summarize, the purpose of estimated taxes is that the Village receives its income tax as the year progresses rather than a year later. It also helps out taxpayers in avoiding the big tax bill once a year.

Legislation Unanimously Approved at the 9.9.14 Special Council Meeting

Council meeting minutes are available in their entirety on the Village website

Ordinance No. 2014-7 authorizes the Mayor and Village Engineer to file an application for a Community Development Block Grant for the Village of Walton Hills ITA Pavement Reconstruction Project.

Legislation Unanimously Approved at the 9.16.14 Regular Council Meeting

Ordinance No. 2014-8 authorizes the Police Chief to assign animal control service duties to any auxiliary, part-time, or full-time police officer that has the requisite training, qualifications, and/or certification to perform in that capacity.

Ordinance No. 2014-9 clarifies what is considered an undesirable animal in the Village.

Ordinance No. 2014-10 authorizes the hiring of additional part-time police officers.

Resolution No. 2014-29 adopts a Declaration of Official intent in regard to the Sagamore Road Improvements Project Ohio Public Works Commission reimbursement.

Resolution No. 2014-30 directs that the money received from the Village recycling program should be used for the maintenance, promotion, beautification, expansion or other improvements of the Veterans' Memorial & surrounding area.

Resolution No. 2014-31 confirms the appointment of Richard S. Rykalla as a part-time Deputy Marshal.

Resolution No. 2014-32 authorizes the advertisement of bids for senior snow plowing service.

Resolution No. 2014-33 authorizes a joint traffic study with Oakwood Village for the Northfield Road Business Corridor.

Get the Therapy You Need, Right Here in Walton Hills

Have you ever thought to yourself: you can't walk as far, walk as fast, or do the physical activities that you did just months ago? Then you would be a candidate to potentially receive and benefit from therapy. The three most common types of therapy are: physical, occupational, and speech. Physical therapy deals with improving mobility and motion. Pain free movement is critical to your quality of daily life, your ability to pursue your favorite leisure activities, and much more. Occupational therapy focuses on your ability to perform everyday life activities. It promotes independence by improving the skills you need to do the necessary day-to-day tasks. If you have any difficulties walking, or doing things that are necessary to be independent, then you are a good candidate to receive therapy! Talk to your doctor about receiving therapy as a physician's referral is required.

Outpatient therapy is for individuals who live at home and need therapy. It is usually preferred to receive therapy close to your home so you don't have to drive far to see the therapist. That's good news for the residents of the Village of Walton Hills, as Walton Manor Healthcare Center offers outpatient therapy! Located in Walton Hills right at the corner of Alexander and Northfield Roads, Walton Manor is close to home and is a beautiful rehabilitation facility that can help get you back to full strength! Your insurance company or Medicare part B usually covers the cost of the therapy (there might be a small co-pay required depending on your insurance plan). Get the therapy you need right here in your backyard at Walton Manor Healthcare Center. You only have one body and it's up to you to keep it strong and take care of it!

**Call Walton Manor Healthcare Center at (440) 439-4433
to help you get the therapy you need and deserve!**

Kevin Artl

One of the many threads in the fabric of our Village

Up to this point, Kevin Artl has lived an interesting life. He grew up in Stow, graduated from Walsh Jesuit High School, and went through the Police Academy at Akron University and the Corrections Academy at Columbus, Ohio. He also attended the Art Institute at Pittsburgh where he studied graphic design and he studied biology at Cleveland State University. He worked as a corrections officer for the State of Ohio from 1999 to 2004, and then worked as a graphic designer until 2009. He has worked as a Walton Hills Dispatcher for the last three and a half years. Several residents who are graduates of the Walton Hills Senior Citizens' Police Academy will remember Kevin as the Academy Commander. He met his wife C.C. online and they have been married for five years.

So Kevin's life has been interesting, but not too much out of the ordinary. That is all about to change. On October 8th he and C.C. will begin a four year adventure in Abu Dhabi. C.C. is an Emergency Room Physician at the Cleveland Clinic downtown and was selected to work at the Cleveland Clinic Abu Dhabi. That facility is currently under construction and is scheduled to open in early 2015. After completion, it will be one of the largest medical centers in the Middle East. What was Kevin's first reaction when his wife told him of her offer? He was pretty angry at first. He enjoyed his job with the Walton Hills Police Department (his last day was September 19th) and he had plans to open up a barbeque restaurant. He is rooted in this area and he did not want to leave family and friends. He also was not educated about Abu Dhabi and the surrounding area. His impression of the Middle East was what he had seen on TV – not very appealing. However, he kept an open mind when he and C.C. visited Abu Dhabi in April.

Kevin stated: "If I could say anything to the people I have met and worked with in my time here at Walton Hills, I would like to thank you for having a part in enriching my life."

Kevin learned that Abu Dhabi differs from the rest of the Middle East. It is one of the world's richest cities and largest producers of oil. It is the capital and second largest city of the United Arab Emirates. It is located in the southeast end of the Arabian Peninsula on the Persian Gulf, bordering Oman to the east and Saudi Arabia to the south. Seventy percent of the land is covered by desert and sandstorms occur on occasion. It has a sub-tropical climate with sunshine almost all year round and very little rainfall. It reminds Kevin of what he envisions life was like in 1950s when the general persona of America was to be respectful, courteous and hard working. Abu Dhabi is trying to advance women's rights as well as loosen up their restrictions to allow other nationalities and beliefs into their city. Their official religion is Islam. However, Kevin and C.C. visited Abu Dhabi at Easter time - and the Christian holiday was being celebrated. You can't bring religious items into their city but you can buy them there. There are a lot of American influences in the city. The third largest Ford dealership in the world is located in Abu Dhabi. Their official language is Arabic, but almost everyone speaks English. Only 30% of the population is native to the area; the other 70% is from all over the world.

Kevin also learned that authorities in Abu Dhabi maintain strict standards. You have to obtain a license to drink alcohol. If you get arrested for drunk driving you will be deported. No obscene gestures or public displays of affection are permitted; you can go to jail for holding hands in public. He found out that a cab driver had to serve six months in jail for urinating on the side of a building. However, they are not as strict on one very important thing – they will allow non-Muslim women to be uncovered from their ankles to their neck.

How will Kevin spend the next four years? He plans to open a barbeque restaurant which he will call the "American Barbeque Tour." Kevin is an authority on barbequing – he is a Kansas City Barbeque Society judge. He is working with a consultant who is setting up investors for him to talk with. He will have to find a partner because a citizen has to own 51% of a business in Abu Dhabi. His restaurant will be nothing like the barbeque restaurants currently in the city – where meat is placed on a grill and covered with barbeque sauce. He will be smoking meat with the right type of wood – the way it is done in barbeque restaurants in the south. Because of this, he feels that he has a great opportunity to be successful quicker in Abu Dhabi than in America; there is no real competition. Kevin knows that his business venture will be a lot of work; he does not plan on having much free time in the next four years. His objective is to learn a lot and make enough money to come back to America and open up his own restaurant. If he can do that, he will consider his experience a success. If it doesn't happen he will come back and resume his life here – much richer for having lived four years of an adventure of a lifetime!

Advanced Treatments for Balance Disorders

Wednesday, October 8 | 5 – 6 p.m.

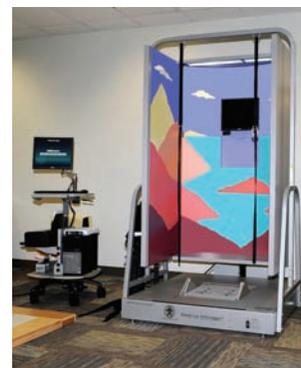

Presented by Amy McMillin, PT

Warrensville Outpatient and Neuro Rehab

4480 Richmond Road, Warrensville Heights

Join us for a free seminar to learn about a variety of balance disorders than can occur in adults, including those related to inner ear problems such as vertigo and Meniere’s disease. In particular, this session will demonstrate how advanced vestibular rehabilitation therapy – an exercise-based program – can help patients overcome these balance problems and reduce their risk of falls.

The seminar will include a demonstration of the SMART Balance Master® equipment.

A light dinner will be provided. Space is very limited and reservations are required. Call **440-735-4219** before October 3 for more information or to register.
