

2020 PARKER AND JR. PARKER PROGRAMS

SUMMER DAY CAMPS

Village of Walton Hills Recreation Department (440) 786-2964

Our programs present a safe, well supervised opportunity for children to meet new friends and catch up with old ones. Children can get outdoors and play for 7 fun filled weeks Monday thru Thursday. Camp is held at TG Young Park, 18860 Dellwood Dr, and is open to Walton Hills residents as well as non-residents. Both programs give children the chance to break away from technology and spend more time playing with friends in our beautiful park. Our program pricing is broken down so that your child can do as much or as little as they want.

Registration forms will be available at the Recreation office 14660 Alexander Rd, or online at <http://waltonhillsohio.gov/en-US/Recreation-Community-Life.aspx> March 2nd thru April 1st.
