Kevin Hurst – Mayor / Safety Director/ Economic Director

July 16, 2018

Dear Residents,

The Village of Walton Hills administration and council have a new agreement with the Cuyahoga Heights School System that will increase the usage of the recreation building located at 14660 Alexander Road.

This is a pilot program that will offer free transportation for all Walton Hills students that pay their annual tuition rate for attending the Cuyahoga Heights School System for the year of 2018/2019.

Please plan on attending a town hall meeting on Monday, July 23, 2018 at 7:00pm the Walton Hills Community/Recreation Center to learn more about this opportunity. The Village's administration and council will be there to explain all details including information related to tuition, pick-up and drop-off times for next school year.

Please plan on attending this important meeting to learn how this program will benefit our students and their families in Walton Hills.

Again, the town hall meeting is scheduled for Monday, July 23, 2018 at 7:00pm at the Community Center located at 14660 Alexander Road. We will also hold another meeting next month prior to the start of the school year. More information on that will be in the August issue of the Walton Hills Journal.

Thank You,

Kevin Hurst

Kevin Hurst
Mayor/Safety & Economic Director
